When an incident of this nature is reported to school administration, law enforcement will be notified.

Timely Warning Reports will be made to all stakeholders through the Intranet Information System (FOCUS) on the log in portal page for staff and students.

Any criminal action(s) and/or sex offense(s) committed on TTI's campus will be reported to Taylor County Sherriff's Department by the Director or Assistant Director. The Director/Assistant Director will immediately notify the Taylor County Sherriff's Department, the Superintendent of Schools and the District Human Resource Director. Emergency response and evacuation procedures are provided to all staff and students at the beginning of each term and are posted in each room on campus. Monthly drills to test emergency response and evacuation procedures are conducted in accordance with FLDOE and district school board policy. Drill results are documented and maintained on file at the institution and the District Office that describes the exercise. The date. Time and whether it was announced or unannounced.
